INTERNATIONAL TRAINING COURSE ON ORGANIC AGRICULTURE

Learning beyond convention

**University of Natural Resources
and Applied Life Sciences, Vienna**
Centre for Development Research

In collaboration with

Dep. of Sustainable Agricultural Systems
Makerere University Kampala
Sokoine University of Agriculture
University of Nairobi
and CIAT

Organic agriculture is one of the most exciting and timely areas of sustainable rural development. The International Training Course on Organic Agriculture employs an innovation systems perspective to organic agriculture, trains students in basic transition management, and engages in collaborative arrangements when co-learning with farmers.

The course takes place in Uganda.
