

*What nurtures skills
and changes minds?*

5 October 2009 | 17:00
PHOTO EXHIBITION OPENING

BOKU:connected

**University of Natural Resources
and Applied Life Sciences, Vienna**
Centre for Development Research

When nine European students meet with African colleagues to learn organic agriculture in Uganda, they return with lively images of a changing world. A few of these images are now on display. This exhibition is presented by the University Library, in cooperation with the Department of Sustainable Agricultural Systems and the Centre for Development Research | 1-19 October 2009.

Exhibition location

University Library
Peter-Jordan-Straße 82
1190 Vienna

It's science.

Knowledge that makes a difference
